Newsletter of the J.E.B. Stuart Camp #1506, Sons of Confederate Veterans, Philadelphia, PA

Well here goes my second feeble attempt as I try to put together our camp newsletter. If anyone has any experience with putting together a newsletter and would like to become Editor-in-Chief please let me know. I would appreciate your coming forward to take over this responsibility.

Camp News

The March Meeting will be held once again at my house, 200 Allison Road, Willow Grove, PA 19090. If you need directions call me at 215-659-5817

I was very pleased with the turn out for our February meeting. Seven members were present. We finalized our schedule for the coming year. It is very important that you as a member make every effort to attend as many events as you can. We will need more help when we go out to reenactments and set up our tent and book display. It takes a minimum of three people just to handle the tent. So look over the events and let me know which ones you can make.

Michael Duminiak our Camp Adjutant has put together a fantastic camp website. You may check it out at http://www.geocities.com/JEB_STUART_Camp_1506/ Mike would like to add a section called “Meet Our Members”. In this section there would be an introduction of sort and then links to a page for each member and associate member who

wishes to participate. The individual pages would contain a picture, if we can get one electronically, and a few sections: a little about yourself, a little about your ancestor, and a place to tell others why you are part of this organization. Mike feels that people who come to our site to find out more about our Camp, SCV, and Southern Heritage would really see the importance in defending our history if they could make a personal connection to it, instead of just seeing it as a issue for other people to deal with. However no one would be forced to be listed as you have a right to your privacy. Please give this some thought and let me know what you think of the idea.

If you have a computer, please give us your e-mail address. We need to have you on our group list. Send your e-mail address to me at john.care@verizon.net and I will forward it to the moderator of our list, Jonathan Nutt. This is a very efficient way to communicate with everyone when we need an answer from the group ASAP.

We welcome two new members to our camp group. They are Martin Lorber of New York City and Martin D’Autrechy of Burlington, NJ. We also welcome a new associate member Mr. Arthur Green, II, from West Long Branch, NJ.

Lee-Jackson Day was a great success in Lexington and Richmond, Virginia on January 19. The snow did not deter our

small group consisting of Rick Gebo, Ralph Caprio and Jerry Fine, and myself from attending the ceremonies that were planned on this special occasion. The highlight was getting to spend the evening at the home of W. Baxter Perkinson, Sr. without whose efforts there would be no SCV in Pennsylvania. Baxter should hold a place of honor in all our hearts.

Remember, this camp exists to serve you, the members. Please participate to the fullest that you are able.

Divisional News

I am pleased to announce that our very own camp adjutant, Michael Duminiak, has stepped forward to become Adjutant of Lee's Keystone Division. Thank you, Mike.

Lee's Keystone Division will be holding its very first official divisional meeting on May 18, 2002 in Gettysburg, PA. The time of the meeting is 2 PM to 6 PM Saturday afternoon and it will be held at the American Legion Post located at 123 Baltimore Street in Gettysburg.

At 7PM, we will gather for a candlelight/memorial dinner also held at the American Legion Post. The cost of the dinner is \$20.00 and limited to the first fifty people that send their money to Commander J. Michael Depew, 282 N. Main Street, Red Lion, PA 17356. Checks should be made payable to Pvt. John Wesley Culp Memorial Camp #1961. The dinner menu will consist of stuffed chicken breast and sliced beef with gravy, green beans, succotash, seasoned red potatoes, salad and cake. There will be a cash bar.

Our guest speaker will be Father Allistar Anderson, Past Chaplain-in-Chief of the SCV, who lives in Frederick, Maryland.

All attending will need to bring with them a candle and candlestick holder. This will be lit to honor his ancestor.

Rooms are tight this weekend as Gettysburg College is holding its graduation. We were able to come up with a block of 10 rooms at The Eisenhower Inn, 2634 Emmitsburg Road, Gettysburg on business US15 South. The fly in the buttermilk is it has to be a two night stay minimum at the group discount rate of \$92.00 per night. With four to a room and a little elbow rubbing, that would bring the cost to \$25.00 per person times two nights. We only have 10 rooms blocked off so it is first come, first served.

You can call 1-800-776-8349 or 1-717-334-8121, and ask for Reservations and get a room with Group #SCV1961 for the 17th and 18th of May. I would be happy to coordinate housing if you will let me know of your plans to stay over which I hope you will do. The General Lewis A. Armistead Camp #1960 from Pittsburgh is planning an outdoor church service on Sunday morning and I would like as many members to attend as possible.

I must have a response immediately from everyone who will be attending the divisional meeting so I can give a head count on how many people are attending from the J.E.B. Stuart Camp. I have enclosed a flyer for you to fill in and mail back to me ASAP with your intentions.

On another note, your new Division Adjutant, Mike Duminiak, and I will be attending the Army of Northern Virginia Meeting on April 13 in Weldon, NC

Southern Legal Resource Center

The J.E.B. Stuart Camp has been a sponsor of the Southern Legal Resource Center for over three years. The SLRC is the chief legal defense of southern heritage and rights violations throughout the whole country. As you may know, they have taken on the case of Mr. Curt Storey, from New Stanton, PA, who was fired from his job for having several bumper stickers with confederate symbols on his pick-up truck. Mr. Storey decided to stand up for his beliefs and for that he lost his job.

Right now the SLRC needs Seven hundred fifty dollars to go forward with this Pennsylvania heritage violation. I know of several camp members that faithfully send a monthly contribution to the SLRC. What I am asking is for each member to consider sending some contribution right now to the SLRC to help Mr. Storey. The address is listed in the article below. Thank you and God Bless ya'll.

SLRC CONDEMNS DEES HATCHET JOB

The Southern Legal Resource Center, Inc. condemns in the strongest possible terms the irresponsible and defamatory attack on the Sons of Confederate Veterans and the Confederate Community by the Intelligence Report published by the Southern Poverty Law Center.

In yet another attempt to influence the upcoming SCV elections, the SPLC intelligence Report defames a wide variety of SCV members, past and present, including Gen William D. McCain, who being deceased, cannot defend himself.

Of course the SPLC has a long-standing vendetta against the Southern Legal Resource Center's Chief Trial Counsel, Kirk D. Lyons and is willing to stoop to new lows in distorting and misquoting Lyons message of Southern Civil Rights.

As Southerners, we condemn also the Southern collaborators who cooperated and contributed interviews to the SPLC report. The Southern Poverty Law Center stands against everything decent Southerners, black & white believe. "They should be anathema to all decent people." said Dr. Neill H. Payne, " SLRC Executive Director and SCV member.

"They are nurturing a viper to their breast, and when all the folks they don't like in the SCV are gone, the SPLC viper will turn on these collaborators and finish them off." said Lourie A. Salley, SLRC's CEO and SCV member.

"I don't blame anybody for being afraid of a \$100 million Goliath like Dees & company," said Chief Trial Counsel & 25 year SCV member Kirk D. Lyons, "But this must be a time for Southerners to be brave and stand up to the likes of Dees. For any Southern Heritage group to truckle to Dees at this time would be disastrous," Lyons concluded.

The SLRC is preparing a Fact Sheet on Morris Dees and the Southern Poverty Law Center that we will be happy to send free upon request, by either Email or regular mail.

The SLRC is a non-profit tax exempt South Carolina Civil rights firm that advocates on behalf of the rights of Confederate Southern Americans.

Project Wave

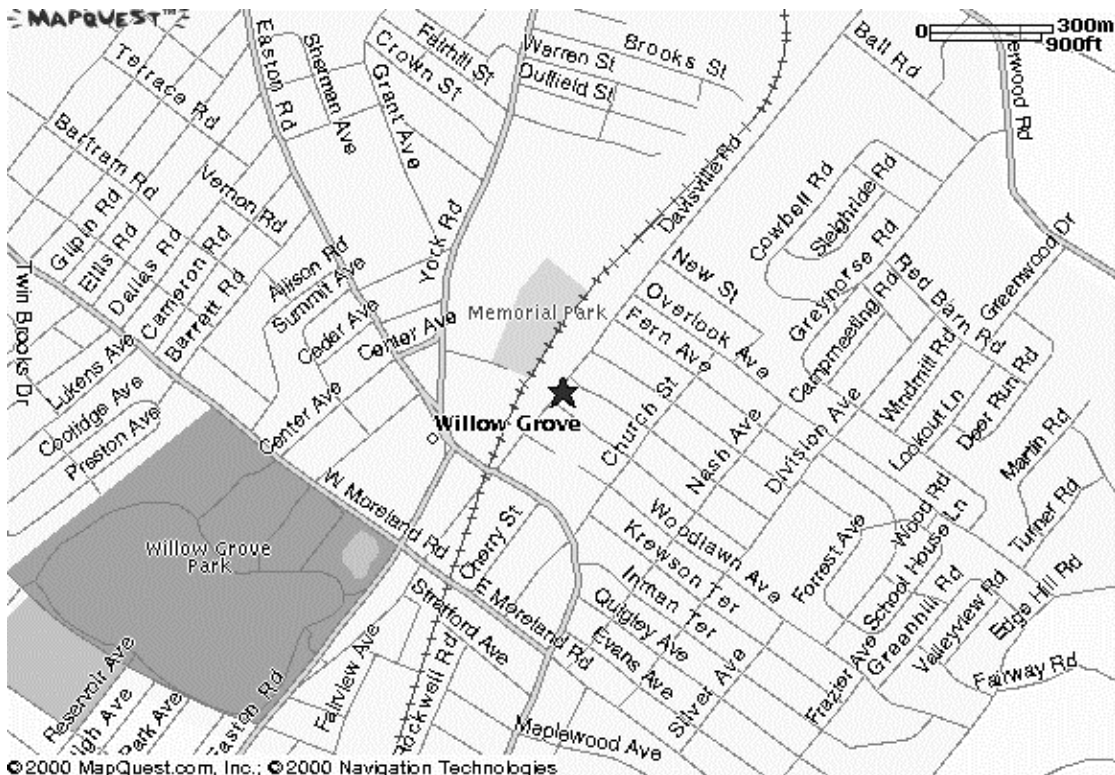

Project Wave is an effort by the members of SCV Camp 1639 out of Mableton, GA to keep the real Georgia Flag before the

eyes of the people of the state and also to send a clear message to the turncoat governor Roy Barnes and his cronies that the people of Georgia will not stand for that un-tasteful blue rag now flying over the State Capitol. Their goal is to install 500 real Georgia Flags across the state.

To help in their effort our camp voted in February to donate one hundred dollars to pay for three flags to be installed. These were given in memory of the late George Parrott, David Nobles and General John C. Pemberton. The project has installed three hundred flags to date.
